

## Social Events

The Eastern Shore of Maryland is known as the *Land of Pleasant Living*, and you will find Oxford as one of the most pleasant, attractive villages you have ever seen. Visit these websites for more info on Oxford, Maryland: <http://www.baydreaming.com/oxford.htm> , <http://www.oxfordmd.net/> and <http://www.portfoxford.com/> . Our pace, we're sure, is slower than you're accustomed to, and our goal is to treat you to a truly memorable and relaxed experience. All events will be held at our lovely Tred Avon Yacht Club, with one of the best yacht club views in the world. From our second floor bar and deck, you can enjoy looking across the water from the south, through west, all the way around to the east. There's nothing quite like a cold beer and a gorgeous sun set from the TAYC deck.

If any of you can bring your spouses and families, we would encourage you to do so. We will be sure that they have plenty to do while you're out on the water. Please be sure to let us know with your registration and we will send a "Spouse Package".
