

50TH SHIELDS NATIONALS

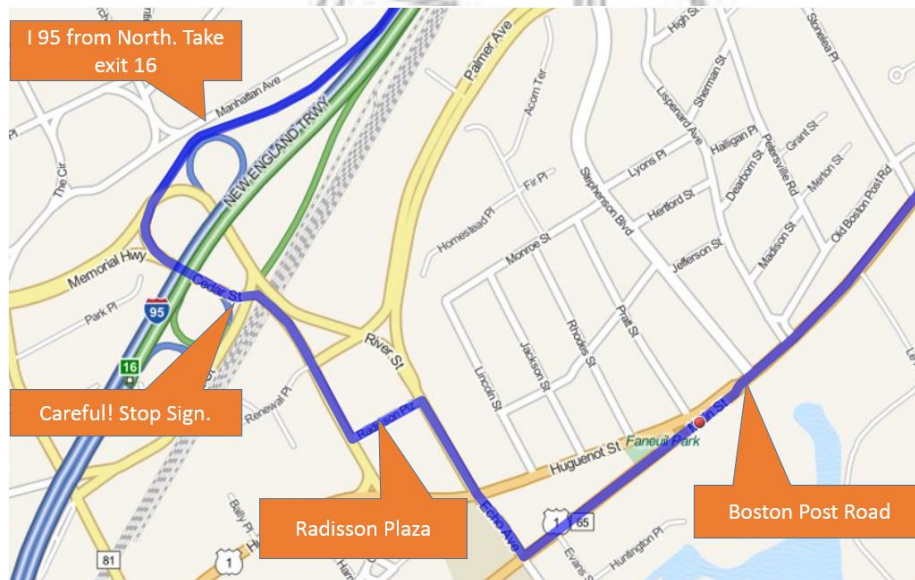

LARCHMONT YACHT CLUB 2014

Directions

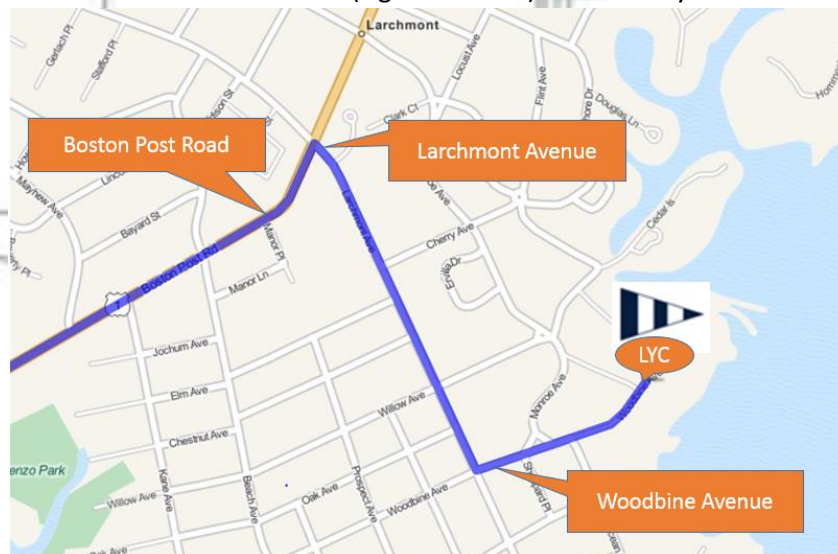

From most directions, you will want to get onto I-95.

From North/North East:

- Follow I-95 and take Exit 16 for New Rochelle. (Note: your GPS may suggest an earlier exit, but Exit 16 offers broader roads and an easier route).
- Go under I-95 on Cedar Street taking care at the stop sign. Go under the bridge and take the 2nd left (Radisson Plaza) by the Toyota garage.
- Turn right at the T-junction onto River St / Echo Ave, then 2nd left onto Boston Post Road.

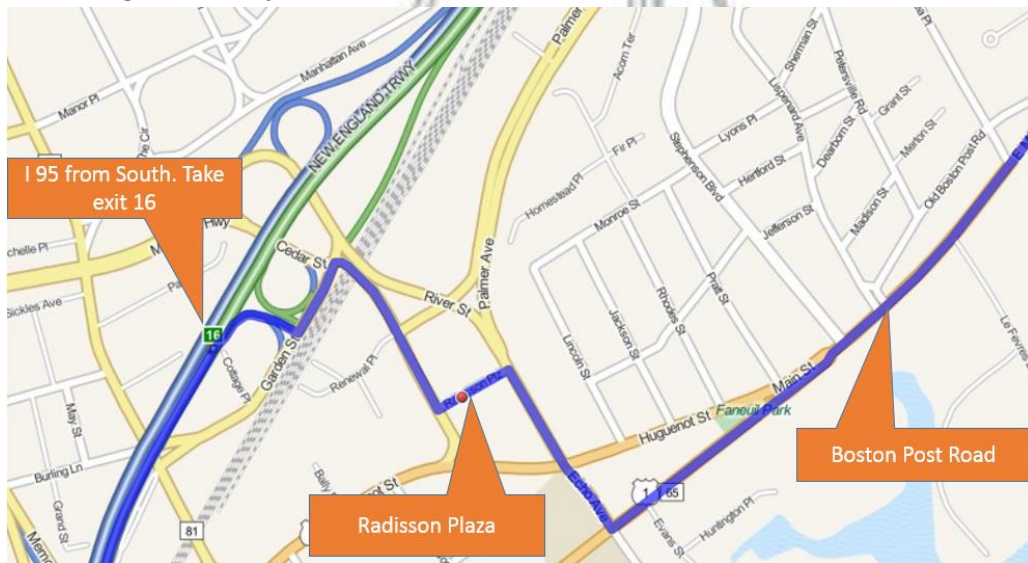

- Go along Boston Post Road for 1.7 miles and turn right onto Larchmont Avenue. Take the third left onto Woodbine Avenue (signed for LYC). LYC is 150 yards ahead.

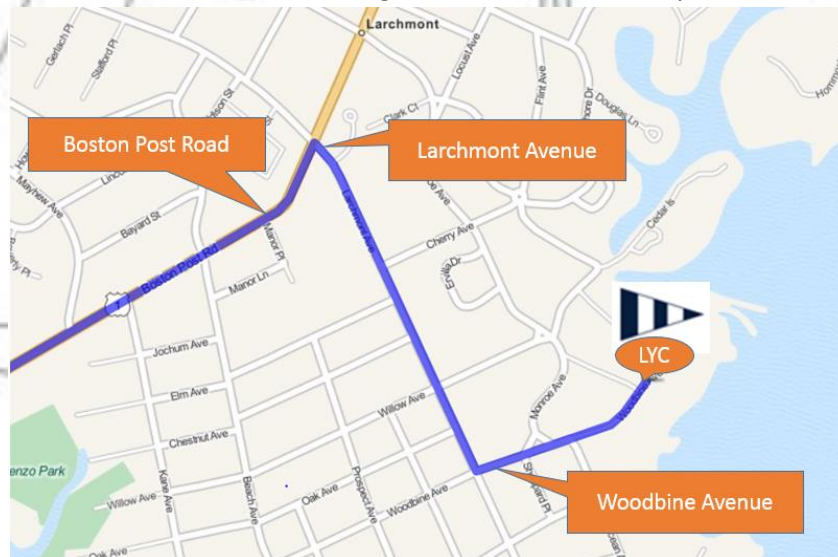

From South or West:

- We suggest either the George Washington Bridge or the Tappan Zee for crossing the Hudson. Check for traffic on the George Washington Bridge and avoid it at rush hour – the Tappan Zee may be further away, but will likely be quicker. From either bridge, head east and pick up I-95. If you do take the Tappan Zee, you should then follow the instructions from the North/North East. (NB. The Tappan Zee can be exposed in high winds).
- From the South, follow I-95 and take Exit 16 for New Rochelle. (Note: your GPS may suggest a later exit, but Exit 16 offers an easier route and avoids a toll).
- Turn left at the traffic lights onto Garden Street. Turn right onto Cedar Street and go under the bridge, Take the 2nd left (Radisson Plaza) by the Toyota garage.
