

**SHIELDS CLASS NATIONAL ASSOCIATION**  
**REPORT OF TREASURER**  
**September 12, 2013(Revised)**

It has been my privilege to have served the Class for the past four years. That has principally entailed requesting dues from the non-service fleets. The challenge and burden of collecting dues from each sailor is done in each fleet. I appreciate the efforts of the following who “made it happen” for 2013:

Greenwich	Rick Hendee
Chicago	Jessica Jamieson
N. Mass Bay	Frederick M. Gibson
Oyster Bay	Jay Benjamin
Vineyard	Tim Bryan
Newport	Ronald Oard
Marion	Dick Gamache
Navy	Ronald Oard
Mystic	Howard Smith
Oxford	Vicky Van Loo

The results of those efforts and the collections I made at Larchmont are reflected in the attached financial report. It shows 168 sailors paid dues amounting to \$5,890. After expenses, there was an excess of \$674. Most importantly, the Class is in a very strong financial position with \$20,828 in cash.

My sincere thanks go to Wendy Godwin, Richard Robbins and Michael Schwartz for their excellent co-operation and timely assistance in helping me.

It was very gratifying to learn that Jay Dayton has accepted the nomination to be the next Class Treasurer. I wish him the best in this position and thank him for taking on this office.

Respectfully submitted,  
Frederick M. Werblow
